

| № створа | время движения поплавка от 15 створа, с | расстояние от 15 створа до данного створа, м | расстояние от 15 створа до середины между створами, м | скорость потока между створами, м/с | глубина на створе, м |
|----------------------|--|--|--|---|----------------------|
| cross-section number | float movement time from cross-section 15, s | the distance from cross-section 15 to the given cross-section, m | the distance from cross-section 15 to the centre between the following cross-sections, m | flow velocity between the following cross-sections, m/s | the depth, m |
